PROFILE

Motivated second-year B.Sc. (Applied Sciences) undergraduate at Uva Wellassa University, building a foundation in scientific and analytical methods with the aim of pursuing a specialised degree in Civil Engineering. Strong interest in applying quantitative problem-solving to real-world infrastructure challenges, with hands-on exposure to engineering drawing, material testing, and workshop practice.

CAREER OBJECTIVE

To pursue further study in Civil Engineering in the United Kingdom, gaining internationally recognised technical knowledge and applying it to support infrastructure development in Sri Lanka.
